

Citizens' Climate Lobby

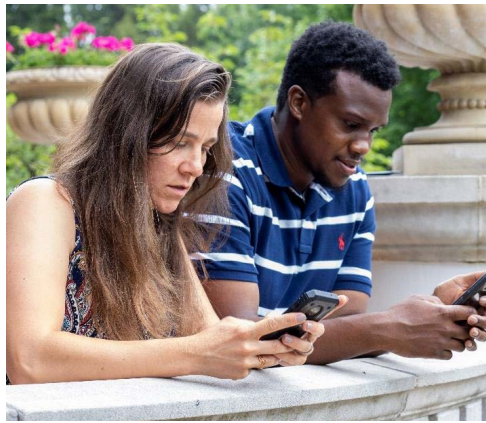

Monthly Calling Campaign

Concerned about climate change?

Just 5 minutes a month can make a meaningful difference!

Sign up for our
**Monthly
Calling
Campaign**

Let your Members of Congress know climate change is an important issue to you. Encourage them to take bipartisan action!

Sign up at cclcalls.org

- With multiple issues competing for attention, our Members of Congress need a steady stream of phone calls every month to make climate solutions a priority.

We will make it simple by...

- Sending you a monthly text or email reminder.
- Providing all the information you need to make the call.
